

GET YOUR PREMISE COMPLIANT FOR CUSTOMER AND EMPLOYEE SAFETY

As restrictions ease, now is the time to prepare your venue with cleaning and hygiene systems that work and comply with government directions. More than ever, your Customers will want assurance and peace of mind that they are dining in a clean and sanitised environment.

- ✓ Surface Sanitiser
- ✓ Dishwasher detergent titration
- ✓ Dishwasher temperature validation
- ✓ Hand Sanitiser Stations
- ✓ Personal Care & Hygiene

“Give your Customers the Assurance and Peace Of Mind”

SURFACE SANITISER STARTER PACK

CHEMSAN QAC is a concentrated high performance sanitising solution designed to be applied on surfaces without the need to be rinsed off with water.

Suitable for use on most hard surfaces including stainless steel, laminates, painted walls and doors, plastic, windows, table tops and benches.

- ✓ 1 x 5ltr Chemsan QAC
- ✓ 1 x 5ltr Dispensing Pump
- ✓ 1 x Green 750 mL Spray Bottle (Kitchen Colour Code)
- ✓ 1 x Red 750 mL Spray Bottle (Toilets/Bathrooms)
- ✓ 1 x Blue 750 mL Spray Bottle (Front of House/General Cleaning)

PERSONAL CARE & HYGIENE

Providing easy access to hand hygiene is essential to give comfort and confidence to your patrons. Our systems are practical, reliable and attractive supported by reputable manufacturers.
