

PRO-DISH ZL50

DESCRIPTION

Automatic Chlorinated Machine Dishwashing Detergent

PRO-DISH ZL50 is a highly active alkaline machine dishwashing formulation. Contains sanitisers, grease cutters and sequesterants to remove grease stains and hard water film ensuring sparkling clean and germ free dishes. Also contains low foam wetting agents to ensure quick drying and efficient machine operation. It achieves excellent results as a bleaching and whitening agent and has exceptional sanitising properties.

DIRECTIONS FOR USE

Specifically for machine dish washing applications

Automatic Dispensing: Place the drum under the bench with the suction tube positioned to the bottom of the container. The dispenser will automatically dispense the product.

NEVER MIX ANY CHEMICALS
