

STREAK FREE

DESCRIPTION

Automatic Machine Rinse Agent Liquid

STREAK FREE is a high performance super wetting formula for spray type dishwashing machines which provides speed drying without streaking or spotting residue. The high concentrate levels of **STREAK FREE** can eliminate towelling and handling therefore aiding the efficiency level of the dishwashing process

DIRECTIONS FOR USE

Specifically for machine dish washing applications

Automatic Dispensing: Place the drum under the bench with the suction tube positioned to the bottom of the container.

The dispenser will automatically dispense the product
