

SUPER SUDS

DESCRIPTION

Commercial Hand Dish Wash and General Purpose Detergent

Ideal for hand dish and glass washing needs. **SUPER SUDS** is fully biodegradable and is an economical and efficient cleaner. Formulated with highly active surfactants which provide excellent grease cutting properties to leave plates and glasses sparkling clean.

Available in a pleasant fragrance **SUPER SUDS** is kind to hands and mild on surfaces and is highly recommended as a general purpose cleaner where an effective cleaning action is required without damaging the surface cleaned.

DIRECTIONS FOR USE

For dish, glass and other utensils washing. All wall, bench top and other like surfaces. For lightly soiled floor surfaces.

Dish/Glass Washing:

Dilute 2-4mls per litre of hot water (to personal level of comfort). Adjust accordingly if dishes are heavily soiled. Drain, dry or rinse according to preference.

Walls & Bench Tops:

Dilute 6-10mls per litre of hot water. Swab and rinse excess solution or mop off with dry sponge or towel.

Floors:

Dilute 6-10mls per litre of hot water (max 60 degrees) and either 'wet' or 'dry' mop surface. For superior results finish with plain hot water 'dry' mop.

HAZARD CATEGORY
