

TORNADO 2000

DESCRIPTION

Liquid Alkaline Degreasing Detergent

TORNADO 2000 is an intensified caustic and alkali based degreaser / cleaner for all kitchen, food preparation areas, washroom and hard surfaces. **TORNADO 2000** is formulated with low foaming surfactants designed to dissolve and remove dirt, grime, fat and grease substances. It contains non-slip agents making it ideal for use on floors, which are slippery in nature.

DIRECTIONS FOR USE

GENERAL:

Dilute 10-50 ml per litre of water depending on soilage. Ensure surfaces are rinsed off with water.

DE-FATTING AND GENERAL CLEANING:

Swabbing: Dilute 20-50 mls / litre of hot water to comfort. Swab and rinse excess solution or mop off with dry sponge or towel.

Soaking: Dilute 50 mls / litre of hot water. Rinse.

Floors: Dilute 10-25 mls / litre of hot water and either 'wet' or 'dry' mop surface. For superior results finish with plain hot water 'dry' mop.

MACHINE SCRUBBERS:

Use dilution from 1:20 to 1:100 depending on soilage.

STUBBORN STAINS:

Use undiluted on surface and rinse off with water.

FOOD PREPARATION:

Rinse surfaces with potable water after use.

*** Do not use on aluminium***
